QUICK START GUIDE

The Big Idea

Students Rebuild transforms youth creativity into real-world impact. When young people create art exploring this year's theme—identity, empathy, and unity—they spark donations that fund organizations making a difference around the world.

For every creative work submitted or student engaged, Creative Visions, with support from the Bezos Family Foundation, donates \$5 to 11 organizations empowering youth and building bridges across differences - up to \$1 million this year. Meet our Impact Partners: studentsrebuild.org/partners

Three Steps to Participate

- 1. Learn:** Use our free resources to explore identity, empathy, and unity. Find lesson plans at studentsrebuild.org/resources
- 2. Create:** Make creative work in any medium: visual arts, writing, performing arts, video/film, or digital design. Need inspiration? Browse the gallery at studentsrebuild.org/explore#gallery
- 3. Share:** Submit your work at studentsrebuild.org/submit to spark the donation. Share on social media with #UniqueAndUnited
