VARIETY OF LIFE ON EARTH.

FAMILY DANCE PARTY

FAMILY DANCE PARTY is the brainchild of
Actors/Activists DAHN & ALIMI BALLARD

As parents of two incredible teen boys the oldest of which is Trans, the family has always used music and dance as a way to express and connect. What started in the kitchen when the kids were little to dance away bad days became a go to practice for the family. Whether celebrating a win or brushing off a momentary set back, putting on a jam and breaking out in dance has become a family symbol of joy, acceptance, and love.

WHY DANCE:

Dancing itself is an expression of fun and freedom. It beckons you to let go of biases and judgment and groove to the beat. So join us for a day of fun in a judgement free space.

#ComeAsYouAre with your teens tweens tots to
